

Cape Wrath challenge

The five person team, Alisdair McCowan, Neil MacRae, Gareth Kemp, David Ross, James Rogers entered by the Fire brigade in the recent Cape Wrath Challenge were winners in their section. Along with each receiving an engraved glass they raised funds for senior citizens parties in Durness and Kinlochbervie. The North and West Sutherland Care Alliance also benefited from the event with nurse Frances Arrowsmith raising nearly £500 from sponsorship for running the full marathon as an individual.

Activity Day

Kinlochbervie high school sent a contingent of pupils to Durness to help with work to be carried out in the community. As part of the Community Activity week they filled the deep bed in the garden at the primary school with top soil and painted the steps to Sango beach.
